# Venue Information

## The Ashmolean Museum

Dancing will take place on the flat paved area outside the museum entrance on the left hand side as you look at the building from the street. Please take care to keep bags neatly stowed around the seating and be aware of members of the public being able to watch the dancing . and public being able to access the museum entrance.

## Pitt Rivers Museum

Dancing will take place within the left hand side of the flat paved area outside the museum entrance on the left hand side as you look at the building. On Saturday there will be a wooden dance floor for step dance (subject to good weather). Other teams are welcome to use this if they wish. Please can all teams take care to keep access to the museum door free.

## Bonn Square

Dancing will take place on the western side of the raised part of the square, to the side of the memorial. Please be aware that this surface slopes gently, but shouldn't pose a problem – please keep to this area as we do not have permission to dance in front of the church.

## Cornmarket

Any teams wishing to do some additional dancing may do so at their own risk in Cornmarket – this location is not part of the festival's agreed dance locations however busking is legal! Please do be mindful of crowd movement and keep clear walkways at all times if you do choose to dance here.

## Broad Street

Dancing will take place on the western/pedestrian side of the bollards dividing the pedestrianised and vehicle access areas, roughly opposite the entrance to Balliol College. Please be mindful of crowd movement and keep clear walkways at all times.

## Oxford Castle

Dancing will take place in the wide flat paved area by the castle mound, adjacent to the Castleyard Café. Please ensure you don't block the entrances to the Castle attractions.

## Radcliffe Camera

Dancing will take place in Catte St on the east side of Radcliffe Square, on the level flat road surface behind the barrier on the side which is closed to traffic. Please take extra care if you access the spot via Catte St as there may be vehicles moving in this area due to an event at the Bodleian on Saturday.
